Circus!

It has become a tradition for the senior class of Norton High School to begin the year with an exciting trip to the circus. This year was no exception as the Class of 1991 enjoyed a fun-filled day at the circus on October 11. The fun had on that day is something we wish to share with you throughout *Sojourn '91.*

As both the circus and *Sojourn '91* begin, circus excitement fills the air and the spotlights shine on the performers in the various rings. The senior stars have worked very hard to reach their grand finale. The ringmasters who have directed the stars through four years look on proudly as the stars step forward and slowly approach the stage. The stuntmen, clowns, musicians and behind the scenes workers all come together to make the show a success. The audience of family and friends applauds as new performers look on and await their turn to be the stars of future years.

APPRECIATION

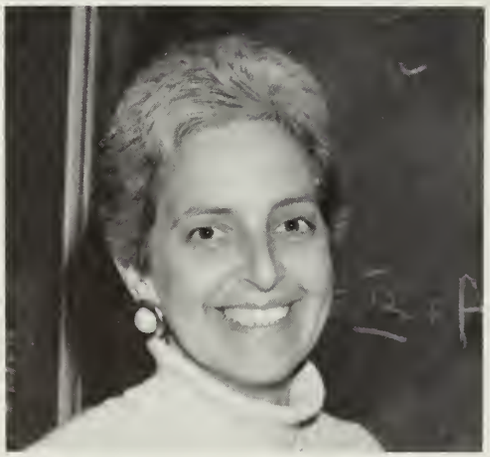
For So Much Extra Effort

Members of the Class of 1991 would like to express appreciation to three members of the faculty who have made special contributions to the students of Norton High School. These individuals are all outstanding classroom teacher, whose interest in students does not end there.

Mr. Fredric Bartek, a gifted and dedicated teacher, challenges students to reach their full potential in achieving personal goals and in making meaningful contributions to society. Through his involvement with Amnesty International and Greepeace, Mr. Bartek encourages students to *act* as well as to learn as environmental and international issues are addressed by such programs as recycling and letter writing. The positive example and humanitarian values of Mr. Bartek enable graduates of Norton High School to affect the future and make the world a better place.

Mrs. Dolores Robbins, serves the students of Norton High School in many capacities. As an English teacher and department leader, she has made countless contributions: preparing students for college, teaching an AP course, updating and revising the curriculum. As advisor to various groups, she has provided opportunities for students to receive well-deserved recognition. As Advisor to the National Honor Society, she has led fund raising efforts to provide scholarships. She established a local chapter of Quill and Scroll to honor talented writers. Mrs. Robbins, along with Mrs. Gagnon, initiated *Local Color,* a literary arts magazine, to provide an outlet for students' creative efforts.

Mrs. Joan Vital, our resident computer expert, provides countless services to students and faculty alike and devotes innumerable hours to Norton High School. Students know that they can rely on Mrs. Vital for the "extras"—whether it be a friendly smile, an efficient answer, or comfort for the computer phobic. Her understanding and patience seem endless on days when computer questions and problems seem to be continual. In addition to giving all this computer aid, Mrs. Vital is Advisor to the Math Team—a group that brings many honors home to Norton High School.



DEDICATION

Four Years Of Spirit And Devotion

Four years ago when we, the members of the Class of 1991, entered Norton High School as confused nervous freshmen, we were put at ease by the warm smile of Miss Kathleen Murphy, later known as "Murph" and now known as Mrs. DiModica. She's been with us ever since as a Class Advisor directing our activities, planning our events, and balancing our budget. Without our friend "Murph," life would not have been the same for us during our four years at Norton High School.

Mrs. DiModica's devotion extends beyond the Class of 1991 to encompass all aspects of school life. When a girls' field hockey coach was needed, Mrs. DiModica stepped forward to help out. As the Advisor to Science Olympiad, "Murph" spends innumerable hours involved with such activities as egg drops, bridge building, and paper airplanes. Under her leadership the Norton Science Olympiad won the League title and took a first place statewide in biology during the 1989/90 school year.

As we, the members of the Class of 1991, leave Norton High School, we leave with fond memories of a true friend. We wish Mrs. DiModica the best of luck and say thank you to her by dedicating *Sojourn 91* to her—an outstanding teacher, a dedicated advisor, and a special friend.

Exchange Students

The foreign exchange students have always been a very special part of the school. This year we welcomed Tim Heckman, from Germany, and Gwenael LePert, from France, into the class of 1991. Tim and Gwenael have become important and active members of our class. They took part in such activities as the senior cookout and the spaghetti supper. Gwenael, as a member of the football team, and Tim, as a member of the soccer team, were active in school's sports. We all have a place in our hearts for these two special members of our class.

Our Final Show

As the curtain slowly rises
On this-Our final show,
The crowd is settled and calm
Getting ready for us to go.

Entering as freshmen
The clowns in the act.
We were new at this scene
Scared and unsure- that's a fact.

Happy-go-lucky-
We tried to be "cool"-
Hoping others would accept us
Thinking to ourselves- This is high school!

The spotlight soon brightened
Our sophomore year had come,
With rings to be selected-
Only the best suitable for some.

Not much excitement
As the sophomore slump had set-
Yet the year almost over
With achievements and goals being met.

Soon a new act was beginning
We were Juniors-Oh-what a year!
We were the ring leaders- upper classmen at last-
With ambitions and goals crystal clear.

Approaching was the prom,
Driving cars, and more privileges too
As a class we were quickly becoming
An inseparable crew.

Soon the show was ours
Our senior year had come
We knew now the fun had only just begun
For the proud class of '91.

Now friendships are bonded
Ties that forever we can hold-
As in the finale of our performance
Friendships become stronger we are told.

Decisions have been made
On which our new lives and futures depend.
For we are leaving this circus world tonight
As wounds and hearts still mend.

Family and friends sit before us
To help celebrate our end.
Scared and unsure of what tomorrow will bring
Realizing that one show is over, but another is to begin
Looking through the back stage hall
Sadly we turn to see the curtain begin to fall.

In The First Ring . . . . Presenting The Class Of 1992

Left to right: Advisors: Miss Norma Cloutier, Mr. Albert Wagner, Mrs. Elaine Reddy, Mrs. Eleanor MacKinder, Elaine Maher, Officers: Treasurer; Leiah Myers, Vice President; Greg Taylor, President; Kristie Hupe, Secretary

In their third year of high school, the juniors with the help of their class advisors, Mrs MacKinder, Mrs. Reddy, Mrs. Cloutier and Mr. Wagner, are kept quite busy. Fundraisers such as the bottle drive, birthday news and a Christmas sale have helped them raise money for the prom, the biggest event of junior year. With only one year left, they are also thinking about college and career decisions. Next year should be a super senior year for the spirited class of '92.

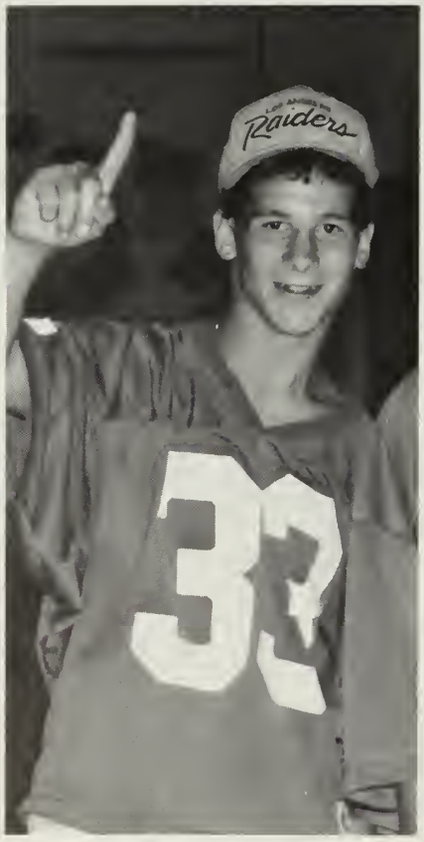
PROM 1990

"We've Got Tonight" was the theme to the 1990 Junior-Senior Prom, and what a night it was on May 11, 1990! Excitement filled the atmosphere of The Canoe Club which was beautifully decorated in red, black, and white. After a delicious dinner, everyone had a great time laughing, talking, and dancing. As the evening progressed, Denise Lombardo and Jon Goodwin, both members of the Class of 1990, were crowned Queen and King. Dancing to "Love Song" by Tesla, the court consisted of members of Class of 1990 Patti Griffen, Marcia Hancock, Jean Hiltz, Lauren Maher and members of Class of 1991 Kim Braga, Jill Grogan, Tami Kieser, and Laura Martin. The careful planning of the Class of 1991 prom committee and its advisors resulted in a beautiful and unforgettable night.

"WE'VE GOT TONIGHT"

HOMECOMING

Kicking off Homecoming Weekend was the exciting Friday night rally. The spirited rally set the stage for the football game on the next day. After an outstanding display by the marching band, the Homecoming Queen, and the court, Roxanne Esperian, Laura Martin, Denise Merritt, Laurie Weiser, Kim Andrews, Darnyelle Cavallaro, Denae Gendron, Christine Sicard, Julie Hagstrom, and Nicole Hamilton were announced. Despite the team's loss, everyone eagerly awaited the Fall Harvest semiformal later that night to complete the weekend. Throughout the weekend Lancer pride was obvious in the special efforts of the cheerleaders, band, football players, and spirited students and fans.



SEMI-FORMAL

The 1990 Fall Festival Semiformal was a perfect ending to homecoming weekend. Cornstalks, pumpkins, and leaves transformed Chase Round at Wheaton College into a magical fall scene. Posing with the Queen and Court, Dom Eno reigned as King. It was a special night full of fun and excitement thanks to the careful planning and hard work of advisors and members of all Honor Societies and the Student Council. The Fall Festival will be remembered as a special highlight of the year.

BAND BANQUET

Student Musicians Earn Honors

The Band Banquet is held annually to recognize the talents and efforts of Norton High's musicians and auxilaries. Hours of practice, lessons, and then more practice are rewarded. This year, Mr. Mac, back on his feet, was proud to award certificates, accomplishment pins, and band jackets, which are given for three years of dedication to band. Also, the Band Parents provide a catered meal and dance. It was a night for celebration after a season of hard work by a well-deserving band.

SPAGHETTI SUPPER

Seniors' Supper A Success

In October, the annual Spaghetti Supper sponsored by the senior class was a huge success. With advisors and students, especially our senior chefs, working together, we prepared a delicious meal. We appreciated the contributions from the Produce Barn, John's Fruitland, Chartly Country Store, B.B. Binks, House of Pizza, Bliss Dairy, Old Time Shop, Ann Marie's, James E Nichols and Sons, Kozy Kennel's, Inc., Nails by Paula, and the Cake Lady. Once again family and friends of the senior class supported us but did enjoy a great meal. Although the preparation was hard work, we had fun. The Spaghetti Supper is yet another lasting memory of our senior year.

Yearbook

After Hours

It's Friday afternoon. The halls are empty, and it's getting late. Most students have gone home for the weekend, but voices can still be heard in room 241. Yes, it's the yearbook staff. It is here where they design pages, crop pictures, and argue opinions.

The staff and Miss Clancy spend endless hours transforming ideas and plans into pages. Often, leaving late on a Friday afternoon does not necessarily mean leaving the work behind. Actually most of the pages are completed on the staff's own time. Students, especially the seventh period crew, have sacrificed countless study halls and much free time. It is this dedication and hard work which is reflected throughout *Sojourn '91*. Rewarding their efforts is the pride of the finished yearbook that all will treasure for many years.

Extra Extra

"Is the next edition ever coming out?" seemed to be a popular question asked by Editor Jennifer Christensen and other members of *The Lance* staff. But with the help of two new advisors, Mrs. Robbins and Mrs. Gagnon, four attractive and informative issues were delivered to students and faculty this year. Many innovative changes were made in the paper's format including a larger paper size, many pictures, cartoons, school surveys, and horoscopes. A special senior supplement is planned for seniors on graduation night, covering such events as the prom, class night, and the Senior play.

Local Colour, the Literary Arts magazine at Norton High School, is in its second year. The first issue was put out last year and was a huge success. The second one, this year, will be just as much of a success, thanks to the advisors Mrs. Robbins, and Mrs. Gagnon. The printing of the magazine is paid for by such fundraisers as the bike-a-thon, that was held during the fall. The magazine helps to enrich the environment at Norton High School and encourage the talents shown through art and writing.

Honor Societies

Grade "A"

The National Honor Society, under the direction of Mrs. Robbins, is traditionally linked to service, character, scholarship, and leadership. Each member holds true to these qualities and strives to maintain them. In an effort to raise money for the scholarship fund, members began the year with a ten mile bike-a-thon through the streets of Norton. In October, members sold Halloween candy. Throughout the year the Honor Society tutored students who needed extra help. The beginning of the new year brought back Class of 1990 speakers for College Day. Later in March, the prestigious induction ceremony took place. The Honor Society recognizes those students who are true leaders in every way.

Artists At Work And Play

The Art Honor Society is an active group that rewards and encourages talent and creativity in students. Not only do they sculpt, paint, and look artistic, the members of the Renaissnace Chapter at Norton High offer their services for the community as well as for the school through holiday window painting and the sale of artwork and handpainted T-shirts. The profits are used for scholarships which are given to students based on merit and participation within the Society. Their valuable advisor, Mrs. Gagnon, is a wonderful help in bringing out the creative thoughts of members. Together their enthusiasm and effort gave Norton High School an attractive appearance and make it an interesting place to be.

The National Spanish Honor Society is an organization promoted by the American Association Of Teachers of Spanish and Portuguese. Our school's chapter is Alonso Quijana, named for the famous Spanish character, Don Quijote de la Mancha. The Spanish Honor Society is a society designed to honor students who show exceptional understanding and interest in the Spanish language and culture. The members of the society, advised by Ms. Deborah Sweeney, take part in putting on the annual semi-formal, along with many other school events. The Spanish Honor Society, as a group, supports a greater world wide understanding of the Spanish culture.

Literary Greats

M. Chastenay, D. O'Connell, J. Christensen

The Grace B. Kiernan Chapter of the Quill and Scroll Society of Norton High School was founded last year and named for the now retired English teancer, Miss Kiernan. This honorary society is designed to recognize students who have shown excellence in their contributions to their school's literary organizations. Members are affiliated with either *The Lance,* the school's newspaper; *Local Colour,* the literary arts magazine; or *Sojurn,* the yearbook. During last April's induction ceremony, which was open to the public, the students received an official membership pin, a gold-sealed certificate, and a life-time subscription to Quill & Scroll's national newsletter. By reading the seasonal editions of the newsletter, students acquire innovative ideas, which they as literary role models, can then relate to their peers. When Shelly, Jennifer, and Dianne are not writing "The Great American Novel", they enjoy getting together to discuss important literary works, such as Homer's *Illiad.*

"Another test? More numbers? Why do we do this? Help!" All of these are frequent questions of the math team. Despite these questions the members stuck with math and became one of the highest ranked teams in the area. With the help of Mrs. Vital and outstanding achievements of Chris Kollett, the math team won many events. We can answer their "Why do we do this?" - - - Because they're good at it.

Debate

Pressing The Issue

The Debate Team is an organization that many students are unfamiliar with. A debate meet is not a group of over-excited students yelling at each other but rather a group of calm students giving argumentative speeches supported by factual evidence. The debate team consists of an intermediate team and a novice team. Under the direction of Mrs. Harren, these teams were very successful this year, and we thank Mrs. Harren for coming to the rescue when an advisor was needed.

French Club

"Parlez vous Francais?" asks French Club advisor, Mrs. Russell, a question replied to with a chorus of "sometimes" from the members. Anyone taking a French course can participate in the French Club. The French Club, even though its members may not speak perfect French, does know how to throw a French Party. This year the French Club has had a Halloween Party, where French costumes were worn, aFete des Rois Party where the King and Queen were crowned, and a Mardi Gras Toga Party. The French Club has many French orienteted dinners throughout the year. The members also enjoy watching French films together and trying not to rely on subtitles.

Amnesty Int'l

Our Corner Of The World

Amnesty International is a group that promotes awareness of the violations of human rights which occur around the globe. The advisor Mr. Bartek has helped the members recognize the culture and problems of people in other countries. Throughout the year, members held bake sales at parent-teacher conferences. The profits from these fundraisers paid for stamps so that members could write to government officials in other countries asking for the release of prisoners of conscience. This group hopes that they have enlightened the students of Norton High to human rights, or the lack of them, in other countries.

Greenpeace

"I remembered to empty my recycling box this week!" was the joyful cry heard by many Greenpeace members. This group, founded two years ago, educates students about such issues as marine ecology and recycling. They continued their paper recycling campaign this year throughout the school and also began a progam to collect glass and aluminum from the cafeteria. President Jennifer Christensen and advisor Mr. Bartek led this environmentally conscious group to its second successful year by organizing a Valentine's Day Greenpeace raffle and an Earth Week celebration in April, which informed many students about the importance of lending a hand to Mother Earth.

Political Playground

"All is favor, say aye," are the words often heard from President Eylana Goldman at the Student Council meetings. Although the meetings are personal and quite informal, alot was accomplished this year by the council. The annual Santa Fund was a great success and so were the Homecomming and Semi-Formal, in which the Student Council participated. Members also enjoyed missing at least one class a month as the meetings were often extended for an entire class period. What we missed in class was gained in experiencing a taste of the world of politics, thanks to the help of advisor Mr. Gorman.

Behind Closed Doors

Purple Key

During the first few weeks of school the hallways of Norton High are very confusing as Students are busy finding their classes and meeting with friends. Then the senior class advisors make their final decision. Purple Key is set in motion and there is chaos no more. Three minutes before the bell rings, the seniors, who make up Purple Key, run to their posts. They hold the doors and stand in the hallway organizing the other students as they file to their next class. Purple Key is made up of approximately fifteen seniors who continue to make travel easier for the students of Norton High throughout the year.

Under the direction of Mrs. Taylor, the Pep Club fosters pride and spirit throughout the year. Their cheerful smiles and loud voices can always be seen and heard at Lancer sports events. The Pep Club also sponsors the annual Homecoming Pep Rally in the fall where a large crowd of enthusiastic fans turn out to cheer on the Lancer football team before the Homecoming Game.

The 1990 Marching band season marked the return of its director Mr. MacMullen, to full capacity after missing almost all of last year with a rare band injury. Drum majors Jessica Merrill and Matt Zawasky led the marching band through half-time shows and parades. At the end of the marching season, the members celebrated their achievements in the annual band banquet. By this time the concert band is practicing feverishly for its Christmas concert. The year culminates in the Spring music festival performed together with the Middle School Band. The band participates in such fundraisers as a hypnotist's show and a car wash to fund a scholarship.

It seems that every year the chorus gets bigger and bigger and better and better. As interest in the chorus increases, so does the quality. This year the chorus began a novel fund raising program using their talents to bring fun and surprises to birthday celebrants. Many brithdays began happily with a raucous rendition of "Happy Birthday" being sung to those having a birthday. With such enthusiastic involvement and the direction and dedication of Mr. MacMullen, the chorus is a definite asset to the school.

Captains Paul Deluca, Scott Millard, and Brett Rieley helped the coach prepare the team for their many challenging games. Despite the loss of many talented Seniors, the soccer team looks forward to next year as the experience and skill of such outstanding underclassmen as Jason Bernardo Bryan Scanlon, Greg Taylor, and Josh Ramsey should lead to an exciting season.

The girls' tennis team had a fabulous season. They qualified for the SSL State Tournament with a record of 11-5. If giving credit where credit is due is the rule, then someone should give it to this team for a well played season. This was the first year that Norton had played in the SSL. They certainly had their hands full, but with the assistance of Coach Terry Mullen, the support of Captain Lauren Maher, and the determination of the team, they had an excellent year.

In addition to the Norton High School students coached by Mr. Maher, the team had the pleasure of playing with an All Star player named Jens Seeliger from Germany. Captain Matt Hill, led the team through losses, challenges, and victories. The team's goal for next year is to make it to the states and bring home a title. Good Luck boys.

BOYS TRACK

Spring of 1990 was the first for the team in the South Shore League, and the switch to the new league brought a shift in the win/loss column. Led by Captain Pete O'Doherty, Coach Bob Rustalis, and Assistant Coach Larry Larocque, the team has its hands full with the tougher competition. However, Vernon Wyatt set a new high jump school record and Hakim Walker, Bumpy Greene, Rob Laham, and Vernon Wyatt combined to set a new school record for the 400 relay.

Coach Dave Clay was met with enthusiasm when he joined the team soon after the beginning of the season. The new coach and co-captains Violet Bassett and Lara MacKinder led the team through an exciting season. The team posted two wins in the tough competition of the South Shore League. Many team members turned in outstanding individual performances. Violet Basset took her discus talent all the way to the states. Paula Hunt was outstanding in the high jump while Tami Keiser excelled with the javelin.

GOLF

This year's golf team should be led by the talented player by the name of Matt O'Doherty. The loss of the likes of Steve White are going to hurt the team, but between Matt O'Doherty and the underclassmen they should pull up the slack. The Move up to the South Shore League made it tough, but coach Al Nuttall plans to bring a championship to Norton High.

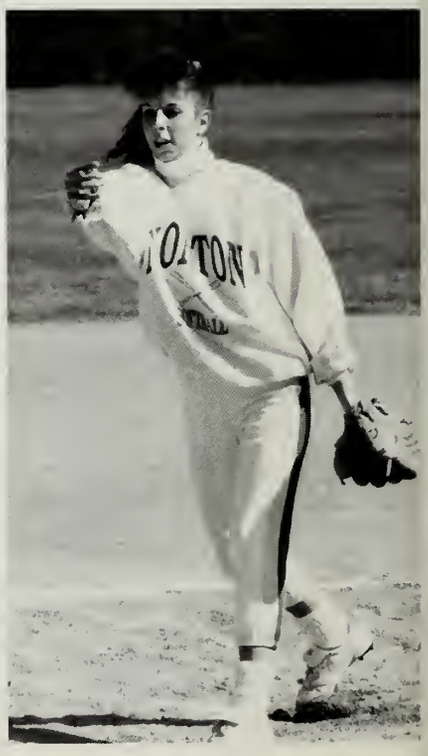
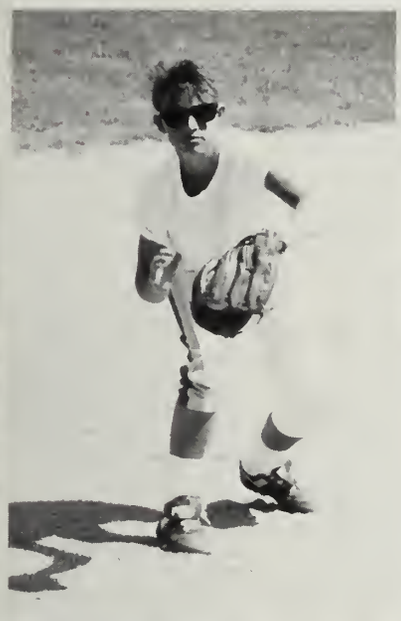
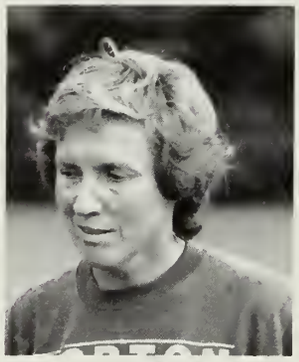
SOFTBALL

The 1990 season for the softball team was a huge success. The team was way over 500 against the tough competition of the South Shore League. Outstanding performances from all stars Jill Grogan, Laurie Weiser, and Terry Tierney and the powerful bat of Adrienne Powers made Norton a formidable foe for other members of the League. Lancer softball should be tournament bound in future years as talented underclassmen such as Michelle Byrnes and Beth Hantavis are coming along to replace the departing seniors.



First Row (L-R): B. Hantvais, L. Weiser, T. Teirney, A. Powers, J. Grogan, M. Byrnes, Second Row (L-R): B. Hurley, R. Sayce, S. Norko, T. Bianchini, R. Boyle, R. Carine, J. Cronin





A coach by definition is a person who trains athletes or a team of athletes. Dedicated, guiding, helpful and supportive are not found anywhere in the definition so why are coaches all of these and more? Anyone could take the time to try to coach a team, but there are only so many who can add special touches to really become a coach. This is a special page dedicated to all of the Norton High School coaches to let them know how much they are appreciated and to give them our thanks.

"May the good Lord be with you down every road you roam.

And may sunshine and happiness surround you when you're far from home.

And may you grow to be proud, dignified and true,

And do unto others as you'd have done to you.

Be courageous and be brave, and in our hearts you'll always stay . . . . forever young.

May good fortune be with you, may your guiding light be strong.

Build a stairway to heaven with a prince or a vagabond.

And may you never love in vain

And in our hearts you will remain . . . forever young.

And when you finally fly away we'll be hoping that we served you well

For all the wisdom of a lifetime, no one can ever tell.

But whatever road you choose, we're right behind you- win or lose

Forever young . . . . . .
Forever young"

ANTIQUE SILVER RESTORED

EST. 1897

Early Victorian Style, following upon the flowing

Restored in our workshop.

Have you discarded your antique silverware? Your old silverware can be restored and replated to look like new. The mass production of today has for the most part eliminated the small details of craftsmanship which add so much to the beauty and durability of fine silver. The basic metals used in the manufacture of most of the silverware of the "old days" is so far superior to that used today, it is well worth while to restore and replate both for beauty and durability.

We would be pleased to give you an estimate to repair, replate or simply clean your silverware, brass, copper and pewter.

-Journey

Thus concludes *Sojourn 1991.* We have reached the end of a four year journey only to begin a journey of a lifetime. With every step we take, we will carry with us the memories of Norton High School, for we cannot forget the lasting impression Norton High School has made on our lives nor can we forget the mark we have left here. Now as we spend time pondering the ways of the world, we will end our journey and begin a search for a new quest.

A SPECIAL THANKS

To:

Theresa Sayce for her artistic cover design.
Dianne O'Connell for her direction of the art staff.
Mrs. Gagnon for her generosity, enthusiasm, and art expertise.
Erica Mullis for all her typing.
The English department for their support of the staff and their tolerance-for deadlines made everyone a little bit crazy!!
The 7th period crew for sacrificing all their studies- we would have been lost without you!
Cathy, Tricia, and Roxanne for all their hard work and late afternoons of brainstorming!!
And finally Miss Clancy, for her direction and not only for being a great advisor but also a good friend.
